3. Eligibility

1) Eligibility Criteria

- Foreigners who have completed a curriculum in a foreign country equivalent to Korea's elementary and secondary education (12 years)
- Both parents and the applicant are foreigners, and have graduated (graduate-to-be) from regular high schools in Korea or abroad
- Those who are registered as North Korean refugees and have graduated (graduate-to-be) from regular high schools in Korea or abroad

※ Applicants who fail to acquire the D-2 (student) visa status before the semester start will be disqualified from entering the college.

2) Qualifications

Category	Criteria	Qualifications
Foreigner	Foreigners who have completed all educational courses abroad	Those who have completed **[the entire curriculum equivalent to elementary/ middle/ high school]** at a foreign schools, and have a score of [Test of Proficiency in Korean (TOPIK/TOPIK ibt) Level 3] or higher
	Both the parent and the applicant are foreigners	**[Both parents and the applicant]** who have acquired foreign nationality before the applicant's high school entrance date, and have [Test of Proficiency in Korean (TOPIK/TOPIK ibt) grade 3 or higher]

- If the number of years of attendance falls short of the curriculum due to

differences in academic system with foreign schools, or if the semesters of attendance overlap, exceptions are recognized within the scope of one semester.

- If grade skipping or early graduation is allowed according to the country's curriculum laws, etc., if you submit supporting documents (school issuance letter, related regulations, etc.), it will be recognized even if the total period of attendance is insufficient.

3) Criteria for accreditation of foreign schools

- "Foreign school" means a school located abroad and its academic records must be acknowledged by the relevant laws and regulations of the foreign country. (Foreign schools in Korea are not accepted)
- "A school located abroad" can only be regular elementary, middle, and high schools whose academic records can be acknowledged by the relevant laws and regulations of the foreign country. Educational institutions such as kindergartens, language training institutes, domestic and foreign examinations, home schooling and cyber learning are not accepted.

4. The requirements of minimum period of overseas [study, work, residence (permanent residence), stay]

Category	Applicable to	Period of residence (permanent residence)
Foreigners who have completed all educational courses abroad	Guardian Student	No Restriction
Both parents and the applicant are foreigners	Guardian Student	Foreign Nationality (Dual citizenship and stateless applicants are not allowed to apply)

5. Further Information

- A person with dual citizenship is not recognized as a foreigner according to the domestic law.
- Other matters not listed in the application guideline will be decided by the Basic Admission Criteria for Colleges and the College Admissions Management Committee.

6. Document Submission (For both Rolling and Regular Admission)

Documents \ Applicants	Foreigners who have completed all educational courses abroad	Both parents and the applicant are foreigners	North Korea refugee	Note

□ Notes for Document Submission and Admissions

1. Notes on document submission

1) The issuance date of required documents must be within 6 months before the application deadline.

- Documents proving financial ability are only accepted if issued within 30 days
- In case the validity period is specified in the submitted documents, documents can be accepted.

2) All documents must be the **originals** and **documents in foreign languages must be translated into Korean and notarized.** If documents can not be rei-ssuable, copied documents should acquire the **authenticity verification.**

3) **The academic achievement confirmation**(those who graduated from a high school in a foreign country) must follow one of the ways below.

- Overseas educational institution confirmation or consular confirmation issued by the Korean consulate in the country to which the school belongs.
- Apostille confirmation issued by the designated institution in the country to which the school belongs.
- The academic records and degree certificate issued by Education and Degree Certification Center from the Ministry of Education in China.
- High school graduates in Myanmar can be recognized with a certificate of passing the MATRICULATION EXAMINATION, a transcript, and a transcript for completing the 9th STANDARD (GRADE 10) course.

4) Domestic high school graduates in Korea should submit a school records instead of the academic achievement confirmation .

5) Documents for North Korean refugees must be submitted in accordance with the [Act on Protection and Settlement Support for North Korean Refugees] and [Enforcement Decree of the same Act].

6) Applicants are responsible for all disadvantages due to [omission or erroneous entry] in the application form and documents, please fill in the form and documents cautiously.

7) Submitted documents will not be returned, and additional documents may be requested if necessary. If additional documents are not submitted, the application will be excluded.

8) Submission note

- How to submit : Submit by EMS, post, quick service, or in person
  ※ After printing the cover from [Application Box] → [Print] → [Printing the cover of the submitted envelope], attach it to the envelope and send the application
- Address of submission: 134, Gajwa-ro, Seodaemun-gu, Seoul (Myongji College Admissions Management Headquarters).

9) Confirmation of arrival of submitted documents

- After logging in to the site where you have applied for admission, you must check whether the submitted documents have arrived at [Confirmation of Submitted Documents Arrival]. Failure to submit the documents within the deadline will result in disqualification.

10) For other inquiries, contact the Academic Affairs and Admissions Team [+82-02-300-1009].

2. Screening Process

1) Document screening: Letter of study plan 40%

2) Interview screening: Interview 60%

Process	Evaluation criteria
Individual Interview (within 5 minutes)	• Motivation for application and study plan after admission • Basic grounding evaluation (comprehension, expression) • Korean oral ability evaluation (Korean speaking skill and comprehension ability) • Assessment of academic ability (study performance ability, understanding of the major)

※ **Be sure to bring [identification card(passport)]**

※ **In case foreign nationals who have difficulty in entering Korea can submit documents proving that they reside in their home country at the time of interview (Certificate of Entry and Exit, etc.), non-face-to-face interview may be conducted. For related matters, contact the Academic Affairs and Admissions Team of the Office of Academic Affairs [+82-02-300-1009]**

3. Assessing Principle

1) The 100% of students for the department (전형별/학과별 course respectively) will be chosen from the [first preference] of the department.
(If there is shortage in the first preference application, selection is made from among the second preference application).

2) Applicants who have been judged ineligible for admission and absent in the interview screening are excluded from admission.

3) Admissions with [false or falsified] records in submitted documents and application form will be disqualified for admissions.

4) Admissions of applicants who fail to acquire D-2 (student) visa status before the semester start will be cancelled.

5) In case the number of applicants exceeds: [Long-term overseas residents (based on enrollment period)] have priority.

4. Announcement of successful applicants and registration information

1) [Announcement for successful applicants] can be checked on the college website (https://ipsi.mjc.ac.kr/) and via automatic information (ARS) (no individual notification).
※ There is a fee to use the automatic notification of successful applicants (ARS), college website is recommended.

2) After printing the acceptance certificate and tuition bill on the college website, those who pass the rolling admission should pay the registration deposit (KRW

300,000) and the rest of the tution fee. Those who pass the regular admission should pay the whole tuition fee to the designated bank within the deadline (No payment within the deadline will be regarded as intention of cancellation without further announcement).

3) After registration, please be sure to check [Registration status] on the college website to prevent disadvantages due to deposit errors.

※ Non-registration due to a deposit error will not be accepted.

5. Abandonment of registration and refund of tuition

Withdrawal application period	Application method
The withdrawal and refund period will be announced later on the website.	• Apply on the College website (tuition refund system). • After the application deadline, students will be withdrawn and tuition fees will be refunded on a differential basis.

1) Those who want to give up (cancel) registration after registering at our college can apply for withdrawal of registration (tuition refund) online after verifying their identity on the college website [Tuition Refund System].

2) If the deposit payment is not properly completed due to [account number error], visit the College Admissions Management Headquaters in person with a copy of the bankbook and ID card.

※ Once submission of the waiver is completed, it cannot be withdrawabl

▪ Tuition refund in accordance with Article 6 of [Rules on College Tuition of Korea]
- From the first day of the semester to the 30th: 5/6 of the tuition
- From the after 30th day of the semester start date to the 60th day: 2/3 of the tuition fee
- From the after 60th day of the semester start date to the 90th day: 1/2 of the tuition fee
- From after 90th day of the semester start date: No refund

3) 2024 Tuition Fee (2025 Tuition Undetermined)

Category	Tuition Fee
■ School of Engineering and Information Science ■ School of Arts and Health Care	3,746,000 KRW
■ School of Management Social Department ■ School of Language Literature and Education	3,029,000 KRW

※ The 2025 academic year may differ from the 2024 academic year due to the establishment of new departments, changes in department names, so please refer to our College website.

□ Notes on application and applicants

1. application submission

1) Internet application reception company

Internet application site	Contact	E-mail
http://www.uwayapply.com [Uway Apply]	1588-8988	helpdesk@uway.com
http://www.jinhakapply.com [Jinhak Apply]	1544-7715	apply@jinhakapply.com

※ When submitting an online application, please follow the application procedure after being familiar with the guidelines and precautions. After completing the application, please make sure to check whether the application and documents have been safely submitted to avoid any problems.

2) Precautions for application submission

■ Application for admission must be submitted by selecting either [Uway Apply] or [Jinhak Apply]. If duplicate applications are submitted from two companies ([Uway Apply] and [Jinhak Apply]), **only the final application will be accepted.**

■ Mobile phone number and e-mail address: Please type accurately so that the examinee or guardian can be contacted promptly during the admissions timeline (Disadvantages could be happened if contact is lost due to incorrect typing).

■ Correction of application and return of application fee: After electronic payment of the application fee is completed, **the application cannot be modified or canceled, and the application fee will not be refunded.** Please reconfirm the contents of the completed application form.

■ Disadvantages due to the applicant's erroneous, omission and non-submission (Refusal, cancellation of admission) are at the risk of the applicants, and thus, please complete the application form carefully.

■ The test identification slip can be printed out in [나의 원서관리] by logging in to the application site.

■ For other details, please refer to the information on the website of the online application company.

2. Precautions for Multiple Application and Dual Registration

1) Multiple applications prohibited

■ Successful candidates (including additionally accepted candidates) of the rolling admission process at a college(including industrial colleges, colleges of education) are prohibited from applying for regular admission process regardless of the student's intention or registration status

2) No double registration

■ Applicants who have passed the rolling admission must pay the deposit only to [one college] among the colleges. If you pay the deposit to more than one college, it is considered as double enrollment and admissions will be cancelled

■ In case of receiving a [Notification of admission on additional rounds] from another college during the recruitment announcement period, the successful applicant should

deliver the intention to give up the registration to the college that they do not want to enroll

3) Measures against multiple applications and dual registrants

- After completion of the electronical screening process, if the prohibited multiple applications and double enrollment are confirmed, admission will be cancelled
- The prohibition of multiple application and double registration does not apply between colleges (including universities, industrial colleges, and colleges of education) and [universities established by special law]

3. Notes on application and admission

1) Our college selects freshmen according to a fair selection process without individual physical, mental, or racial discrimination

2) Support related matters

- The submitted application form and submitted documents will not be returned, and additional documents may be requested if necessary
- In case of duplicate application (double application submission) in the recruitment process at our college.
  - Duplicate between application reception companies/ duplicate on the same site: Only [finally submitted application form] is accepted according to the timeline.
  - The fee for the application is non-refundable due to the double application.
- Applicants who have passed at the rolling admission are not eligible to apply for the regular admission.

3) Admission Matters

- Applicants who fall under any of the following categories will be disqualified, or withdrawn from admission.
  - Principle of prohibition of multiple application and double registration: A applicant who has passed the rolling admission (including colleges and universities) applies for the on-time regular admission regardless of whether the applicant is enrolled or not
  - Students who have not submitted additional documents such as school records, transcripts, etc.
  - Applicants who have been found not to meet the application qualifications after receiving the application form.
  - A applicant who has applied with false information, forgery, falsification or other illegal means in the submitted documents.
  - Those who missed the interview.
  - Applicants accepted during the rolling admissions who fail to pay the confirmation deposit/tuition balance within the specified deadline.

- Regular admissions accepted students who fail to pay the tuition within the payment period.

■ Our college conducts holistic education based on the Christian spirit of [Love, Truth, and Service] as its founding philosophy. [Chapel, Bible and Life] are designated as required liberal arts courses.

4. Application fee

Category	Application fee	Interview fee	Total
Foreigners	35,000 KRW	20,000 KRW	55,000 KRW

1) Application fee waiver and refund

■ Application fee exemption: N/A

■ Interview fee refund

- Only the interview fee (20,000 won) will be refunded only to those who did not take the exam due to duplicate exam schedules, etc.

■ Waiver and refund method

- Candidates who cannot participate the interview must submit a confirmation of exams and interviews at other universities or related supporting documents.
- Exemption and refund amount will be decided after successful applicants are announced.

2) Application fee refund

- If there is a balance due to costs and expenses, according to Article 34-4 (5) of the [Higher Education Act of Korea], it will be returned in consideration of the admission fee paid by the candidates who took the admission test by 2025. 04. 30 (SUN).
- The refund of the admission fee is transferred to the account if the refund account is entered (agreed) at the time of application
- When transferring money to a bank account, it will be returned after deducting the banking charge.

☐ Scholarship

Category	Criteria	Amount
First semester for 1st year students	TOPIK 3 or TOPIK IBT 3 holder	30% of the tuition fee of 1st semester
	TOPIK 3 or TOPIK IBT 4 holder	40% of the tuition fee of 1st semester
	TOPIK 5 or TOPIK IBT 5 holder	50% of the tuition fee of 1st semester
	TOPIK 6 or TOPIK IBT 6 holder	60% of the tuition fee of 1st semester
	Student who was enrolled in Myongji College Korean Language Education Center (KLEC) or/and studied as a exchange/visiting student for at least 1 semester.	400,000 Korean Won (one payment only)
Current (Enrolled) students	· GPA: over 3.0 out of 4.5 · Credit: over 12 credits · Credit unattained: F	30% of the tuition fee of each registered semester
	· GPA: over 3.5 out of 4.5 · Credit: over 12 credits · Credit unattained: F	50% of the tuition fee of each registered semester

☐ Dormitory

Classification	1 Person room	2 People room	4 People room	Deposit	Note
