

❀ Myongji College

Myongji College, since its establishment in 1974, has produced over 100,000 graduates and continues to uphold its history and tradition by fostering sincere and competent professionals with a strong focus on practical, field-based education. Under the university's vision of becoming a global institution that nurtures creative talent through innovative, interdisciplinary education, it is implementing its mid-to-long-term development plan, GROWTH 2030. In alignment with the Fourth Industrial Revolution, the college is strengthening its infrastructure to cultivate distinguished individuals with refined character, meeting the demands of both the nation and local communities.

❀ Dormitory

The dormitory serves as a welfare facility for students and is offered at an affordable rate to international students. Located just five minutes from the campus, the dormitory supports students by managing attendance and daily life, helping them stay focused on their education.
